

Release 2026.2 []

General Overview & Impact

Stripe Subscriptions

This release has seen some improvements to the handling of Stripe Subscriptions within the Admin portal. With the changes, you will now be able to see the subscription schedule of the current subscription, whilst also having the ability to amend subscriptions. Users will be able to now assist residents in amending the payment amount and date for their payments.

- Stripe - Show the subscription schedule which has been set up on Admin portal - [PBI/9205](#)
- Stripe - Admin Portal - Amend Stripe Recurring Payment - [PBI/20521](#)
